Profile

Research	Mixed-methods researcher and leader of complex international development & global health projects
Experience	15+ years international work experience in evaluation, development finance & economics, and policy advisory
Publications	Active publication pipeline in leading journals in my fields (e.g. <i>Social Science & Medicine</i> , <i>World Development</i>)
Teaching	Award-winning teaching fellow with interdisciplinary experience on under- and postgraduate levels
Engagement	Active media strategy and wide engagement portfolio incl. press releases and international photo exhibitions

Academic Career

10/22 – 09/27	Chiang Mai University Assistant Professor, Department of Social Science & Development (University Proactive Strategy) ▪ Module Contributor: <i>Research Methods, Development Theories</i> ; MA Social Science (Development Studies) ▪ Leading social research in interdisciplinary groups involving e.g. ecologists, nutritionists, anthropologists	<i>Thailand · Lao PDR</i>
01/19 – 03/22	University of Warwick Assistant Professor in Global Sustainable Development Associate Fellow of the Institute of Advanced Study ▪ Module Leader: <i>Health and Sustainable Development & Dissertation</i> ; BSc Global Sustainable Development ▪ Teaching Fellow: MSc International Health and Tropical Medicine, University of Oxford ▪ Leading social research in interdisciplinary groups involving e.g. ecologists, clinicians, behavioural scientists	<i>United Kingdom · Thailand · Cambodia · Lao PDR</i>
11/15 – 10/18	University of Oxford Postdoctoral Scientist – Health Policy and Systems Associate Fellow – Green Templeton College, Oxford ▪ Joint post: Centre for Tropical Medicine and Global Health & Saïd Business School ▪ Deputy Director: Health and Wellbeing Doctoral Training Pathway, Grand Union Doctoral Training Centre ▪ Led social research in five projects and attracted four grants totalling >£250,000 as principal investigator ▪ Coordinated group of 18 international co-investigators, leading 30-member project team ▪ Pro bono work for evaluation of public engagement in Thailand	<i>United Kingdom · Thailand · Myanmar · Lao PDR</i>
10/12 – 12/15	D.Phil., University of Oxford Doctor of Philosophy in International Development ▪ D.Phil. awarded without corrections ▪ Thesis title: <i>Mobile Phone Diffusion and Rural Healthcare Access in India and China</i> ▪ Examiners: Prof Martin McKee, Prof Ralph Schroeder, Prof Frances Stewart, Prof Mark Graham ▪ Secured >£110,000 in research funding and scholarship support ▪ Completed 8-month research fieldwork in India & China and led 10-member teams to survey 800 villagers	<i>United Kingdom · India · China</i>
10/10 – 07/12	M.Phil. (Distinction), University of Oxford Master of Philosophy in Development Studies ▪ Thesis title: <i>Analysing the Impact of the Polio Eradication Initiative on Routine Immunisation in India</i> , including 7-week research fieldwork in India (published as “Editor’s Choice” in <i>Health Policy and Planning</i>)	<i>United Kingdom · India</i>
01/08 – 05/08	Chulalongkorn University / Faculty of Commerce and Accountancy ▪ Exchange Term: BBA International Programme, including field research projects in Thailand	<i>Thailand</i>
09/06 – 07/09	B.Sc., European Business School (EBS), Oestrich-Winkel Bachelor of Science in General Management / Business Information Systems ▪ Thesis title: <i>An Investigation of the Thai Rice Industry: Current State, Development, and Strategies</i> ▪ Research Assistant at EBS Department of Strategy and Organization	<i>Germany · Thailand</i>

Scholarships and Prizes

Scholarships	2016/17 Goodger and Schorstein Scholarship for Postdoctoral Researchers in Medical Sciences: £9,380 (04/17 – 03/18); Scatcherd European Scholarship (GAF1213_SES_511446): £40,770 (10/12 – 09/15); Economic and Social Research Council Studentship (SSD/2/2/16): £33,222 (10/12 – 09/15)
Prizes	ANH Academy Best Poster Award (2023) Market Research Society’s President’s Medal 2018 (finalist); Centre for Tropical Medicine and Global Health MSc IHTM Junior Teacher Award (2 prizes: 2017-2018 and 2015-2016); OxTALENT Award 2015 (Student IT Innovation, runner-up); European Survey Research Association 2015 Early Career Prize (honourable mention); nominated for Warwick Award for Personal Tutoring Excellence 2021 and 2018 University of Oxford Student Union Teaching Awards

Research Grants

06/24 – 03/26	Towards Heritage-Sensitive Climate Change Mitigation Policy	<i>Thailand</i>
	<ul style="list-style-type: none"> British Academy (ref. IOCR\101013): £199,489 Principal investigator: Coordinating partner, conceptual development, research supervision, engagement 	
11/23 – 06/24	Towards Heritage-Sensitive Conservation Policy	<i>Thailand</i>
	<ul style="list-style-type: none"> University of Warwick Participatory Research Fund: £24,863 (co-PI: Ivo Vlaev) Co-PI: Leading partnership coordination, conceptual development, and research implementation 	
07/23 – 04/24	Food origin labels for sustainable conservation and development policy	<i>Thailand</i>
	<ul style="list-style-type: none"> University of Warwick WBS Impact Fund: £9,050 (co-PI: Ivo Vlaev) Co-PI: Leading partnership coordination, conceptual development, and research implementation 	
01/23 – 11/24	NutriLao: Locally produced, ready to use supplements to improve nutritional status in Lao PDR	<i>Lao PDR</i>
	<ul style="list-style-type: none"> AFD/IDF: €210,000 (PI: Frank Wieringa) Co-investigator: Leading partnership coordination, conceptual development, and research implementation 	
06/22 – 05/24	Activity Spaces and Household Exclusion from Food Environments	<i>Thailand · Lao PDR</i>
	<ul style="list-style-type: none"> IMMANA Competitive Research Grant (Ref. 14689014): £249,351 (PI: C.S. Srinivasan) Co-investigator: Leading partnership coordination, conceptual development, and survey implementation 	
11/21 – 11/22	Satellite-powered remote sensing for inclusive forest conservation policy	<i>Thailand · Madagascar · Indonesia</i>
	<ul style="list-style-type: none"> Royal Academy of Engineering (Ref. FS-2122-16-105): £29,865 Principal investigator: Leading pump-priming partnership, social research design, and research supervision 	
01/21 – 09/25	Learning Space: Education and Its Pathways to Health Belief and Behaviours	<i>Lao PDR</i>
	<ul style="list-style-type: none"> EUTOPIA (ref. EUTOPIA-PhD-2021-0000000091), Institute of Advanced Study, Warwick Institutional Research Support Fund, Warwick Connecting Cultures Global Research Priority: £157,200 Principal investigator and PhD supervisor: Supervising research on education among Lao ethnic groups 	
03/21 – 03/22	Low-cost water purification at the household level in Kabul	<i>Afghanistan</i>
	<ul style="list-style-type: none"> Royal Academy of Engineering (Ref. FoE2122\10\10): £15,730 Principal investigator: Leading partnership coordination, social research design, and research supervision 	
01/20 – 07/21	Exploring behavioural spill-overs in a nationwide agricultural insurance field experiment in Thailand	<i>Thailand</i>
	<ul style="list-style-type: none"> Institute of Advanced Study & Warwick Interdisciplinary Centre for International Development: £4,100 Principal investigator: Facilitating grant proposal development with international research consortium 	
12/19 – 03/22	Dynamism of Land Use and Livelihood Strategies Among Highland Ethnic Minorities	<i>Thailand</i>
	<ul style="list-style-type: none"> ESRC Impact Accelerator (ref. ES/T502054/1), Warwick GCRF Catalyst Fund, Policy Support Fund: £74,119 Principal investigator: Supervising innovative narrative co-production study of livelihoods in Thai highlands 	
02/19 – 04/20	What if precarity causes drug resistance?	<i>Thailand · Lao PDR</i>
	<ul style="list-style-type: none"> Warwick Global Research Priority on International Development & Institute of Advanced Study: £6,000 Principal investigator: Leading interdisciplinary research into structural drivers of drug resistance 	
01/19 – 07/19	Protected Areas and People: Perceived wisdoms surrounding natural resource management	<i>Cambodia</i>
	<ul style="list-style-type: none"> Warwick GCRF Catalyst Fund: £16,300 (PI: Jessica Savage) Social Research Lead: Led mixed-methods research on social impact of marine protected areas 	
01/17 – 10/18	Antibiotics and Activity Spaces: Behaviour, Marginalisation, and Knowledge Diffusion	<i>Thailand · Lao PDR</i>
	<ul style="list-style-type: none"> UK Economic and Social Research Council (Ref. ES/P00511X/1): £237,633 Principal investigator: Leading social surveys of antibiotics-related behaviour among 4,800 villagers 	
04/17 – 03/18	Supply-induced demand for antibiotics among marginalised populations in Northern Thailand	<i>Thailand</i>
	<ul style="list-style-type: none"> University of Oxford Medical Sciences Division Internal Fund: £9,380 Principal investigator: Overseeing qualitative and quantitative research on antibiotic use in Chiang Rai 	
11/16 – 12/16	GCRF Knowledge Exchange Dialogues: Socio-Medical Research, Public Engagement, and Evaluation	<i>Thailand</i>
	<ul style="list-style-type: none"> University of Oxford ESRC Impact Acceleration Account (Ref. 1609-GCRF-250): £7,399 Convener: Facilitating dialogue between socio-medical research, public engagement, and policy 	
08/16 – 06/17	Advancing Realist Evaluation Approaches for Public Engagement: Health-Themed Science Theatre	<i>Thailand</i>
	<ul style="list-style-type: none"> University of Oxford Public Engagement with Research Seed Fund: £3,500 Principal Investigator: Overseeing design and implementation of public engagement evaluation 	
04/16 – 06/17	The impact of C-reactive protein testing on antibiotic prescription in febrile patients	<i>Thailand · Myanmar</i>
	<ul style="list-style-type: none"> Wellcome Trust and Mahidol Oxford Tropical Medicine Research Unit: £98,750 (PI: Yoel Lubell) Co-Investigator: Social research lead, responsible for designing, implementing, and analysing mixed-methods research on healthcare workers' and patients' antibiotics use 	
08/13 – 07/15	Mobile technologies and health: a pilot study in India and China	<i>India · China</i>
	<ul style="list-style-type: none"> John Fell OUP Research Fund (Ref. 122/670): £28,068 (PI: Proochista Ariana) Co-investigator: Research lead, responsible for grant management and for designing, implementing, and analysing qualitative and quantitative research on mobile phone use and rural healthcare access 	
06/13 – 12/13	Exchange in International Development Across UK DTCs	<i>United Kingdom</i>
	<ul style="list-style-type: none"> Oxford ESRC DTC Interdisciplinary Project Grant (Ref. SSD/2/2/16): £1,300 Principal grant holder: Forming an interdisciplinary network of UK international development students 	

Small Grants Warwick Humanities Research Fund (£1,920), Warwick Global Research Priority on Connecting Cultures (£750), University of Oxford Vice Chancellors' Fund (£3,000); Hertford College Graduate Travel Grant (£1,300); Queen Elizabeth House Travel Fund (£1,000); Cambridge Commonwealth Trust & Rajiv Gandhi Travelling Scholarship (£750); Queen Elizabeth House George Peters Travel Grant (£500); Oxford Development Studies Travel Grant (£500); St Cross College Student Travel and Research Fund (£250); 9 other small grants (£1,211)

Professional Experience

10/24 – 12/24	European Commission Evaluator: European Research Executive Agency ▪ Conducted remote evaluation and expert consensus process for MSCA postdoctoral fellowships	Belgium
03/22 – 04/24	World Health Organization, Lao PDR Evaluation Consultant: Village-based impacts of the CONNECT Initiative ▪ Led process and impact evaluation of nation-wide rural health initiative with local 6-member team	Lao PDR
08/16 – 06/17	Mahidol-Oxford Tropical Medicine Research Unit Senior Evaluation Consultant: Science Theatre (<i>pro bono</i>) ▪ Led evaluation of theatre plays for public engagement with international 8-member team	Thailand
07/10 – 06/14	KfW Development Bank External Evaluator: Evaluation of Financial Cooperation ▪ Various evaluations of budget support and health programmes in West Africa and Central and South Asia	Germany
07/12 – 01/13	KfW Development Bank Consultant: Report on Side-Effects of Health Interventions ▪ Drafted 30-page analysis of German aid projects in health and development	Germany
08/09 – 03/10	DEG (German Investment and Development Corporation) Development Economist (01/10-03/10), Intern (08/09-12/09): Economics / Development Policy Department ▪ Advised project managers and senior management about development effects of DEG projects	Germany
05/08 – 08/08	Deloitte Consulting (Southeast Asia) Intern: Strategy & Operations / Consumer Products Division ▪ Carried out economic impact assessment in Malaysian brewing sector for government consideration	Malaysia
05/07 – 08/07	United Nations Economic and Social Commission for Asia and the Pacific Intern: Transport and Tourism Division ▪ Drafted 40-page appraisal of an Asia-wide road assessment programme	Thailand

Teaching Experience

10/23 – 09/25	MA Social Science (Specialisation: Development Studies), Chiang Mai University ▪ Teaching: <i>Dissertation (Supervisor) Research Methods (Module Contributor) Development Theories (Module Contributor) Social Science Around Us (Module Contributor)</i>	
08/20	Awarded Fellowship of the Higher Education Academy (ref. PR189903)	
01/19 – 03/22	BASc Global Sustainable Development, University of Warwick ▪ Teaching: <i>Health and Sustainable Development (Module Leader) Dissertation (Module Co-Leader and Supervisor) Global Sustainable Development Project (Contributor and Supervisor) Global Sustainable Development Skills and Principles and Praxis (Contributor)</i> ▪ Administration: Departmental Ethics Officer, Chair of Ethical Research Practice Panel, Liaison Officer, Research Committee, Research Seminar Steering Group, Course Organising Committee, Admissions Tutor, Personal Tutor MSc International Health & Tropical Medicine, University of Oxford ▪ Teaching Fellow: <i>International Development and Health (Contributor)</i> PhD Program, Regional Center for Social Science and Development, Chiang Mai University (since 01/21) ▪ Teaching Fellow: <i>Research methods, Developing research publications (Contributor)</i>	
11/15 – 10/18	MSc International Health & Tropical Medicine, University of Oxford ▪ Teaching Fellow: <i>International Development and Health (Module Co-Leader) Communication and Leadership (Sub-Module Leader) Paradigms and Tools for Global Health module (Contributor) Global Health Research and Practice module (Contributor)</i> ▪ Academic Adviser: Yuzana Khine Zaw (PhD Candidate, London School of Hygiene & Tropical Medicine), Michelle L Hancock, Qhayiya Magaqa (DPhil Candidate, University of Oxford) ▪ College Adviser: Magdalena Krieger, Aiste Zalepuga, Isabel Woodford ▪ Administration: Course Organising Committee, Assessor	
01/14 – 04/14	MSc Global Health Science, University of Oxford ▪ <i>International Development and Health</i> module (Teaching Assistant / Student Tutor)	
10/12 – 12/15	Social Sciences Doctoral Training Centre, University of Oxford ▪ <i>Interdisciplinary Research Methods (Guest Lecturer)</i>	

Public and Research Engagement

12/24	Leveraging heritage to tackle One Health challenges	<i>Lao PDR</i>
	<ul style="list-style-type: none">Coordinated and co-organised 4-day participatory and interactive training workshop with 20 participants for Lao students and academics in Phou Khao Khouay National Park, Lao PDR from 3-7 December 2024, incl. interdisciplinary contributions to push the frontier of knowledge at the interface of everyday environmental heritage and One Health, bespoke methods training for students and researchers, community consultations and visits, and explorations of the local ecosystem	
06/24 – 07/24	Activity Spaces and Household Exclusion from the External Food Environment	<i>Thailand · Lao PDR</i>
	<ul style="list-style-type: none">Supervised project-related research dissemination and public/policy engagement activities including “Ban Bounghphao food festival” in Vientiane Province, Lao PDR on 29 June 2024 (cooking competition, photo exhibition, public presentation of academic findings, and policy maker talks), and “Food dynamics art competition” on 24 July 2024 in Chiang Mai (art competition, photo exhibition, public academic panel discussion, and policy maker roundtable), amplified by extensive social media activity	
06/24	Living With the Forest	<i>Thailand</i>
	<ul style="list-style-type: none">Supervised public engagement and policy event on 24 June 2024 in Chiang Mai, building on Indigenous community consultations and including photo exhibition, public academic panel discussion, and policy maker roundtable (live broadcast and reporting by national media), and accompanied by 3-minute video to stimulate policy maker engagement with heritage (https://youtu.be/chcYcY6dOPE?si=3-RpWfc81tAlhGJm)	
12/21 – 08/23	Nurturing Lives in the Forest	<i>Thailand</i>
	<ul style="list-style-type: none">Directed Thai media team to produce 38-minute documentary and web archive on environmental heritageDeveloped project website and content of www.thaiforest.lifeSupervised development of policy brief <i>Towards an inclusive approach to forest conservation and land use policy in Thailand</i>	
08/22	Natural Resources and Indigenous Peoples	<i>Thailand</i>
