Profile

Teaching	Award-winning teaching fellow with interdisciplinary experience on under- and postgraduate levels
Research	Mixed-methods researcher and leader of complex international development & global health projects
Experience	10+ years international work experience in evaluation, development finance & economics, and policy advisory
Publications	Active publication pipeline in leading journals in my fields (e.g. <i>Social Science & Medicine</i> , <i>World Development</i>)
Engagement	Active media strategy and wide engagement portfolio incl. press releases and international photo exhibitions

Academic Career

01/19 – 03/22	University of Warwick Assistant Professor in Global Sustainable Development Associate Fellow of the Institute of Advanced Study <ul style="list-style-type: none">Module Leader: <i>Health and Sustainable Development & Dissertation</i>; BSc Global Sustainable DevelopmentTeaching Fellow: MSc International Health and Tropical Medicine, University of OxfordLeading social research in interdisciplinary groups involving e.g. ecologists, clinicians, behavioural scientists	<i>United Kingdom · Thailand · Cambodia · Lao PDR</i>
11/15 – 10/18	University of Oxford Postdoctoral Scientist – Health Policy and Systems Associate Fellow – Green Templeton College, Oxford <ul style="list-style-type: none">Joint post: Centre for Tropical Medicine and Global Health & Saïd Business SchoolDeputy Director: Health and Wellbeing Doctoral Training Pathway, Grand Union Doctoral Training CentreLed social research in five projects and attracted four grants totalling >£250,000 as principal investigatorCoordinated group of 18 international co-investigators, leading 30-member project teamPro bono work for evaluation of public engagement in Thailand	<i>United Kingdom · Thailand · Myanmar · Lao PDR</i>
10/12 – 12/15	D.Phil., University of Oxford Doctor of Philosophy in International Development <ul style="list-style-type: none">D.Phil. awarded without correctionsThesis title: <i>Mobile Phone Diffusion and Rural Healthcare Access in India and China</i>Examiners: Prof Martin McKee, Prof Ralph Schroeder, Prof Frances Stewart, Prof Mark GrahamSecured >£110,000 in research funding and scholarship supportCompleted 8-month research fieldwork in India & China and led 10-member teams to survey 800 villagers	<i>United Kingdom · India · China</i>
10/10 – 07/12	M.Phil. (Distinction), University of Oxford Master of Philosophy in Development Studies <ul style="list-style-type: none">Thesis title: <i>Analysing the Impact of the Polio Eradication Initiative on Routine Immunisation in India</i>, including 7-week research fieldwork in India (published as “Editor’s Choice” in <i>Health Policy and Planning</i>)	<i>United Kingdom · India</i>
01/08 – 05/08	Chulalongkorn University / Faculty of Commerce and Accountancy <ul style="list-style-type: none">Exchange Term: BBA International Programme, including field research projects in Thailand	<i>Thailand</i>
09/06 – 07/09	B.Sc., European Business School (EBS), Oestrich-Winkel Bachelor of Science in General Management / Business Information Systems <ul style="list-style-type: none">Ranking position: 4th out of 246 studentsThesis title: <i>An Investigation of the Thai Rice Industry: Current State, Development, and Strategies</i>, including 3-week research fieldwork in ThailandResearch Assistant at EBS Department of Strategy and Organization	<i>Germany · Thailand</i>

Scholarships, Prizes and Small Grants

Scholarships	2016/17 Goodger and Schorstein Scholarship for Postdoctoral Researchers in Medical Sciences: £9,380 (04/17 – 03/18); Scatcherd European Scholarship (GAF1213_SES_511446): £40,770 (10/12 – 09/15); Economic and Social Research Council Studentship (SSD/2/2/16): £33,222 (10/12 – 09/15)
Prizes	Market Research Society’s President’s Medal 2018 (finalist); Centre for Tropical Medicine and Global Health MSc IHTM Junior Teacher Award (2 prizes: 2017-2018 and 2015-2016); OxTALENT Award 2015 (Student IT Innovation, runner-up); European Survey Research Association 2015 Early Career Prize (honourable mention); nominated for Warwick Award for Personal Tutoring Excellence 2021 and 2018 University of Oxford Student Union Teaching Awards
Small Grants	Warwick Humanities Research Fund (£1,920), Warwick Global Research Priority on Connecting Cultures (£750), University of Oxford Vice Chancellors’ Fund (£3,000); Hertford College Graduate Travel Grant (£1,300); Queen Elizabeth House Travel Fund (£1,000); Cambridge Commonwealth Trust & Rajiv Gandhi Travelling Scholarship (£750); Queen Elizabeth House George Peters Travel Grant (£500); Oxford Development Studies Travel Grant (£500); St Cross College Student Travel and Research Fund (£250); 9 other small grants (£1,211)

Project Grants

- 06/22 – 05/24 **Activity Spaces and Household Exclusion from Food Environments** *Thailand · Lao PDR*
- IMMANA Competitive Research Grant (Ref. 14689014): £249,351 (PI: C.S. Srinivasan)
 - **Co-investigator:** Leading partnership coordination, conceptual development, and survey implementation
- 11/21 – 11/22 **Satellite-powered remote sensing for inclusive forest conservation policy** *Thailand · Madagascar · Indonesia*
- Royal Academy of Engineering (Ref. FS-2122-16-105): £29,865
 - **Principal investigator:** Leading pump-priming partnership, social research design, and research supervision
- 01/21 – 09/25 **Learning Space: Education and Its Pathways to Health Belief and Behaviours** *Lao PDR*
- EUTOPIA (ref. EUTOPIA-PhD-2021-0000000091), Institute of Advanced Study, Warwick Institutional Research Support Fund, Warwick Connecting Cultures Global Research Priority: £157,200
 - **Principal investigator and PhD supervisor:** Supervising research on education among Lao ethnic groups
- 03/21 – 03/22 **Low-cost water purification at the household level in Kabul** *Afghanistan*
- Royal Academy of Engineering (Ref. FoE2122\10\10): £15,730
 - **Principal investigator:** Leading partnership coordination, social research design, and research supervision
- 01/20 – 07/21 **Exploring behavioural spill-overs in a nationwide agricultural insurance field experiment in Thailand** *Thailand*
- Institute of Advanced Study & Warwick Interdisciplinary Centre for International Development: £4,100
 - **Principal investigator:** Facilitating grant proposal development with international research consortium
- 12/19 – 03/22 **Dynamism of Land Use and Livelihood Strategies Among Highland Ethnic Minorities** *Thailand*
- Warwick GCRF Catalyst Fund, ESRC Impact Accelerator Account (ref. ES/T502054/1), Warwick Policy Support Fund: £74,119
 - **Principal investigator:** Supervising innovative narrative co-production study of livelihoods in Thai highlands
- 02/19 – 04/20 **What if precarity causes drug resistance?** *Thailand · Lao PDR*
- Warwick Global Research Priority on International Development & Institute of Advanced Study: £6,000
 - **Principal investigator:** Leading interdisciplinary research into structural drivers of drug resistance
- 01/19 – 07/19 **Protected Areas and People: Perceived wisdoms surrounding natural resource management** *Cambodia*
- Warwick GCRF Catalyst Fund: £16,300 (PI: Jessica Savage)
 - **Social Research Lead:** Led mixed-methods research on social impact of marine protected areas
- 01/17 – 10/18 **Antibiotics and Activity Spaces: Behaviour, Marginalisation, and Knowledge Diffusion** *Thailand · Lao PDR*
- UK Economic and Social Research Council (Ref. ES/P00511X/1): £237,633
 - **Principal investigator:** Leading social surveys of antibiotics-related behaviour among 4,800 villagers
- 04/17 – 03/18 **Supply-induced demand for antibiotics among marginalised populations in Northern Thailand** *Thailand*
- University of Oxford Medical Sciences Division Internal Fund: £9,380
 - **Principal investigator:** Overseeing primary qualitative and secondary quantitative research on antibiotic supply and demand in Chiang Rai (Northern Thailand)
- 11/16 – 12/16 **GCRF Knowledge Exchange Dialogues: Socio-Medical Research, Public Engagement, and Evaluation** *Thailand*
- University of Oxford ESRC Impact Acceleration Account (Ref. 1609-GCRF-250): £7,399
 - **Convener:** Facilitating dialogue between socio-medical research, public engagement, and policy
- 08/16 – 06/17 **Advancing Realist Evaluation Approaches for Public Engagement: Health-Themed Science Theatre** *Thailand*
- University of Oxford Public Engagement with Research Seed Fund: £3,500
 - **Principal Investigator:** Overseeing design and implementation of public engagement evaluation
- 04/16 – 06/17 **The impact of C-reactive protein testing on antibiotic prescription in febrile patients** *Thailand · Myanmar*
- Wellcome Trust and Mahidol Oxford Tropical Medicine Research Unit: £98,750 (PI: Yoel Lubell)
 - **Co-Investigator:** Social research lead, responsible for designing, implementing, and analysing mixed-methods research on healthcare workers' and patients' antibiotics use
- 08/13 – 07/15 **Mobile technologies and health: a pilot study in India and China** *India · China*
- John Fell OUP Research Fund (Ref. 122/670): £28,068 (PI: Proochista Ariana)
 - **Co-investigator:** Research lead, responsible for grant management and for designing, implementing, and analysing qualitative and quantitative research on mobile phone use and rural healthcare access
- 06/13 – 12/13 **Exchange in International Development Across UK DTCs** *United Kingdom*
- Oxford ESRC DTC Interdisciplinary Project Grant (Ref. SSD/2/2/16): £1,300
 - **Principal grant holder:** Forming an interdisciplinary network of UK international development students

Public Engagement

- 12/21 – 03/22 **Nurturing lives in the forest** *Thailand*
- Directed Thai media team to produce documentary and media web archive on environmental heritage
- 07/18 – 03/19 **Tales of Treatment photo exhibition** *Thailand · United Kingdom*
- Directed team of Thai curators and researchers to host photo exhibition on traditional healing in Thailand
 - Exhibition hosted Bangkok, Chiang Rai, Oxford, and Warwick Arts Centre, approx. 500 visitors in total
 - Activity featured in *Oxford Science Blog* and in peer-reviewed research publication in *Medical Humanities*
- 12/17 – 02/18 **Educational activities in rural Southeast Asia** *Thailand · Lao PDR*
- Two-directional engagement workshops with 150 villagers in Chiang Rai (Thailand) and Salavan (Lao PDR)
 - Activities featured in peer-reviewed publications and expert commentary

Professional Experience

- 08/16 – 06/17 **Mahidol-Oxford Tropical Medicine Research Unit** *Thailand*
Senior Evaluation Consultant: Science Theatre (*pro bono*)
 - Guided international 8-member team to evaluate theatre plays for public engagement
 - Produced 70-page evaluation report based on qualitative and quantitative data analysis
- 07/10 – 06/14 **KfW Development Bank** *Germany*
External Evaluator: Evaluation of Financial Cooperation
 - Conducted various aid evaluation projects of budget support and health programmes in West Africa and Central and South Asia; findings covered in national media
- 07/12 – 01/13 **KfW Development Bank** *Germany*
Consultant: Report on Side-Effects of Health Interventions
 - Drafted 30-page analysis of German aid projects in health and development to support project managers, evaluators, and policy analysts
- 08/09 – 03/10 **DEG (German Investment and Development Corporation)** *Germany*
Development Economist (01/10-03/10), Intern (08/09-12/09): Economics / Development Policy Department
 - Advised project managers in assessing development effects of DEG projects
 - Conducted macroeconomic analyses and supervised report preparation for senior management
 - Supervised departmental trainee
- 05/08 – 08/08 **Deloitte Consulting (Southeast Asia)** *Malaysia*
Intern: Strategy & Operations / Consumer Products Division
 - Carried out economic impact assessment to inform fiscal policy in Malaysian brewing sector; recommendations adopted by government and covered in national media
 - Solely conducted internal study of corporate knowledge management system
- 05/07 – 08/07 **United Nations Economic and Social Commission for Asia and the Pacific** *Thailand*
Intern: Transport and Tourism Division
 - Drafted 40-page appraisal of an Asia-wide road assessment programme
 - Produced inputs for UNESCAP Expert Group Meeting on Road Safety on the Asian Highway, 21-22 June '07

Teaching Experience

- 08/20 **Awarded Fellowship of the Higher Education Academy (ref. PR189903)**
- 01/19 – 03/22 **BASc Global Sustainable Development, University of Warwick**
 - **Teaching:** *Health and Sustainable Development (Module Leader)*
Dissertation (Module Co-Leader and Supervisor)
Global Sustainable Development Project (Contributor and Supervisor)
Global Sustainable Development Skills and Principles and Praxis (Contributor)
 - **Administration:** Departmental Ethics Officer, Chair of Ethical Research Practice Panel, Liaison Officer, Research Committee, Research Seminar Steering Group, Course Organising Committee, Admissions Tutor, Personal Tutor
- MSc International Health & Tropical Medicine, University of Oxford**
 - **Teaching Fellow:** *International Development and Health (Contributor)*
- PhD Program, Regional Center for Social Science and Development, Chiang Mai University (since 01/21)**
 - **Teaching Fellow:** *Research methods, Developing research publications (Contributor)*
- 11/15 – 10/18 **MSc International Health & Tropical Medicine, University of Oxford**
 - **Teaching Fellow:** *International Development and Health (Module Co-Leader)*
Communication and Leadership (Sub-Module Leader)
Paradigms and Tools for Global Health module (Contributor)
Global Health Research and Practice module (Contributor)
 - **Academic Adviser:** **Yuzana Khine Zaw** (PhD Candidate, London School of Hygiene & Tropical Medicine), **Michelle L Hancock, Qhayiya Magaqa** (DPhil Candidate, University of Oxford)
 - **College Adviser:** **Magdalena Krieger, Aiste Zalepuga, Isabel Woodford**
 - **Administration:** Course Organising Committee, Assessor
- 01/14 – 04/14 **MSc Global Health Science, University of Oxford**
 - *International Development and Health* module (**Teaching Assistant / Student Tutor**)
- 10/12 – 12/15 **Social Sciences Doctoral Training Centre, University of Oxford**
 - *Interdisciplinary Research Methods (Guest Lecturer)*
